

Notice of Establishment of Okura Industrial Co., Ltd. SHANGHAI OFFICE

Okura Industrial Co., Ltd. hereby announces that we have established “Okura Industrial Co., Ltd. SHANGHAI OFFICE” (local name: 日本大倉工業株式会社上海代表处) in China as follows.

1. Office Address: Room 06A69 (604A69), 6th Floor, No. 2299 West Yan'an Road, Changning District, Shanghai, China
2. Date of establishment: July 1, 2025
3. Reason for establishment:

The Optical Materials Business Unit of the New Materials Division is mainly engaged in the production, manufacture and sale of protective film for polarizing plates used for large liquid crystal displays. Most of the world's major polarizer manufacturers are based in China, and our major customers are also concentrated there.

In anticipation of further expansion of the display market in China, we have established a representative office for the purpose of promptly gathering information and deepening relationships with customers in the country. The location of the office was chosen to be in the Changning District of Shanghai for the convenience of access to customers throughout China and the ease of gathering information from other companies in the industry.

Okura Industrial Co., Ltd. SHANGHAI OFFICE will not only collect information, but also serve as a base for disseminating the latest information, with the aim of creating further value.
